ATTENDANCE POLICY

*** Mandated by the State Department of Education and BESE***

Ouachita Parish School Board policy requires that students in grades K – 8 can miss no more than a total of 10 excused days in the school year. Violation of this policy will result in a grade of F. For excessive absences due to extenuating circumstances, parents must make a formal appeal to the Child Welfare and Attendance Office.

CHECKING IN TO SCHOOL

Students who arrive late to school (after **7:48** tardy bell) must check in at the Office.

LA. RS233. Any student who is a juvenile and who is **habitually absent from school or is habitually tardy** shall be reported by visiting teachers and supervisors of child welfare and attendance to the family or juvenile court of the parish or city as a truant child, pursuant to the provisions of Chapter 2 of Title VII of the Louisiana Children's Code.

CHECKING OUT OF SCHOOL

1. Students may check out of school in the Main Office when determined necessary by parents and administration.
2. Students are allowed to check themselves into school but **NOT** allowed to check themselves out.
3. Parents are required to **personally** check out student in the Main Office.
4. Parents, or designee on entrance form, can only check out their own child or children.
5. An administrator must confirm any emergency check out (illness or family emergency).
6. Students who return the same day must check back in to school.
7. Students will not be allowed to checkout for lunch.

TARDY AND TRUANT STUDENTS

If a student is tardy to school, he must report to the office. A student arriving after 7:48 must sign-in through the main office. He will be given an admit slip. The student will present the admit slip to his teacher at that time. (This will be an admit slip, not an excuse.) If the student has been to a doctor or dentist, a doctor's excuse will be needed to excuse the tardy, as well as any classes the student may have missed. A student arriving after 8:30 will be sent to a designated area until first period is over.

LA. RS233. Any student who is a juvenile and who is **habitually absent from school or is habitually tardy will be reported to truancy** by visiting teachers and supervisors of child welfare and attendance to the family or juvenile court of the parish or city as a truant child, pursuant to the provisions of Chapter 2 of Title VII of the Louisiana Children's Code. *(5 absences or tardies per semester)*

The student will present the admit slip to his/her teacher at that time. This will be an admit slip, not an excuse. If the student has been to a doctor or dentist, a doctor's excuse will be needed to excuse the tardy, as well as any classes the student may have missed. Any student arriving after 8:30 will be held in the office until first period is over.

TEXTBOOKS

All basic texts are issued to students for their use during the school year. Workbooks and other supplies are paid for by the student. Textbooks are to be kept clean and handled with care. The teacher will write your name on the book label in case the book is misplaced. You will be required to pay for lost or damaged books. The cost of new books is extremely expensive.

Should a student lose a book, he/she should attempt to locate it immediately. If it cannot be located, it should be paid for in the Main Office. The teacher will issue another book when the student presents the receipt for the lost book. Failure to do so within a reasonable length of time jeopardizes the student's academic progress in a class. Should the book be located at a later date, the student can request a refund.

HOMEWORK

Your child may have homework daily. There are several reasons for this homework:

1. To provide extra practice on learned skills.
2. To provide further learning in areas covered in the classroom.
3. To provide an opportunity to learn good work habits and grow in responsibility.
4. To provide you with an opportunity to see what your child is studying and how well he/she is doing.

The daily homework in no way is to be viewed as punishment, but rather as a way for encouraging and extending learning.

HOMWORK ASSISTANCE SERVICES

Homework Louisiana (HomeworkLa.org), a service of the State Library of Louisiana, offers FREE online tutoring and academic resources from Tutor.com for Louisiana residents from kindergarten students through adult learners. Get help in math, science, social studies or English from a live tutor. The services can be accessed from a Louisiana public library, from your home computer or from your mobile device.

IDEAS FOR HELPING YOUR CHILD

Parents can do their part to improve homework and classwork when they:

1. Cooperate with the school to make homework effective.
2. Provide your children with suitable study conditions (desk or table, lights, books, and supplies).
3. Reserve a time for homework and turn off the TV.
4. Encourage your children, but avoid undue pressure.
5. Show interest in what your children are doing, but do not do the work for them.
6. See your child's principal if there is something that you want to know about the school, if something has happened at school that worries your child, if there is a misunderstanding, or if you need more information for any reason.
7. Visit your school. You, as a parent, are not only welcome at school; you are urged to visit.

MAKE-UP WORK

Ouachita Parish School Board will allow up to 75% credit to be earned for student work and /or tests missed due to an out-of-school suspension in all schools.

Students who are in school when a test or activity is announced and who miss only the day of the test or activity and returns the day following the said test or activity will be **required** to take the test or complete the activity on the day of return. The teacher may alter the format of a makeup test in any manner as long as the test covers the same material that the original test covered.

Students with an excused absence, missing more than one day consecutively will be allowed a minimum of one day for each day missed before being required to make up test, turn in material, or complete an activity. This will not exceed a total of five (5) days. If after teacher notification the student fails to accomplish make up in the allotted time, the grade will be recorded as "O/F."

ZAP (ZERO'S AREN'T PERMITTED)

The importance of learning the responsibility of completing assignments in a timely and productive manner is an indicator in how successful students will be able in juggling the load and rigor of high school and college life. Students will no longer be able to opt out of doing assignments. Students who choose not to do an assignment will be assigned lunch detention until they complete the assignment. Work time for homework assignments not turned in will be coordinated with the classroom teacher and all other assignments, projects, tests that are not done and will be assigned detention for completion time through the office.

COUNSELOR

The purpose of the counselor's office is to help each individual student achieve his/her highest growth mentally, emotionally, and socially. We try to do this in several ways:

1. Help the new student feel at home in our school with new teachers and friends.
2. Individual conference when a student, teacher, parent, or counselor deems it necessary.
3. A testing program designed to help the students learn as much as possible about his/her capabilities.

PARENT CONFERENCES

Parents are welcome and encouraged to come to school to talk with teachers. Appointments must be made to coincide with the teachers' schedules. This should be done through the guidance counselor's office. Call 432-2100 to set up a conference.

LIBRARY SERVICES

The library will be opened at 7:45 A.M. and remain open throughout the day until 3:00 P.M. You are encouraged to use the library as much as possible. From time to time it may be desirable for a student to visit the library during class time to do research. In such cases, the student should first get permission from the teacher and then, upon entering the library, inform the librarian about his/her particular need. Food and drink are not allowed in the library.

POSITIVE BEHAVIOR PROGRAM

SMS has a 'Positive Behavior Program' in place to reward our students. Our motto is displayed throughout campus. Panther "Coins" are used to reward students for exhibiting behavior that demonstrates the pillars of character. We also recognize a Student of the Month through a joint effort with the Town of Sterlington.

SMS Panthers 'R'

HALL PERMITS AND BEHAVIOR

This will include trips to the restroom, library, and office; as well as, to any place other than the room to which the student has been assigned. Passage shall be by the shortest and quickest route without stopovers at other points or without bothering other classes in session. Students are asked to be courteous at all times and to keep to the right when moving in the halls. Running, shouting, playing, etc. in the halls are never permitted.

FUNCTIONS & ASSEMBLIES

At all times student behavior should be refined and courteous. An indication of the cultural level of the school is the conduct of its student body at an assembly. Whether guests are present or not, each student is personally responsible for the impression made by the school as a whole. Unacceptable conduct would include booing, whistling, uncalled-for clapping, boisterousness, talking during a program, etc.

DANCE POLICY

1. Dance dress code will be the same as school day dress with the exception of hats and earrings, unless otherwise specified by the school's administration.
2. Vulgar dancing will not be tolerated. Students involved will be asked to leave without warning.
3. Only SMS students are allowed to attend SMS sponsored dances.
4. Students who break the rules, have disciplinary issues, owe money, etc. will not be allowed to attend dances as deemed by the school's administration.

SUBSTITUTE TEACHERS

Substitute teachers should be made welcome in our school. Students should be on their best behavior and give the proper respect to them. Detention will be assigned if student behavior becomes a problem.

Keep in mind that substitute teachers leave our campus and tell other communities about students at Sterlington Middle School. They also compare our school with others where they have taught. We want them to know we are the best!

SCHOOL MESSENGER

School Messenger is a helpful tool to be used by parents and students. Your SM account can access your grades, class assignments, homework, etc. If you need assistance on how to use or access your SM account, please contact the school.

FIELD TRIPS

All field trips have to be cleared through the principal's office. The teacher in charge of a field trip has the responsibility of paying for the driver, mileage on the bus, and for sending a specific parent permission form home for parent signature. An email list of students attending the trip must be emailed to teachers (2) days before the trip.

ALL FIELD TRIPS MUST BE PLACED ON THE SCHOOL CALENDAR AT LEAST (2) WEEKS IN ADVANCE – NOTIFY BRANDY HANCOCK AND TANISHA MERRELL.

JR. BETA CLUB ELIGIBILITY

- Teacher approval.
- See club bylaws for details on behavior expectations.
- 6th grade: midterm 3.5 GPA in core subjects. (3.5 must be maintained)
- 7th and 8th grade: 3.5 GPA in core subjects from previous year. (3.5 must be maintained)

LOST AND FOUND

Articles which have been found should be taken to the office. Lost library books should be taken to the library. Lost articles can be claimed by proper identification in the lost and found office (Dr. Weems' office). It is a good idea to mark your items clearly with the owner's name so they can be returned without delay. This also discourages unauthorized borrowing. Sterlington Middle School and staff members are not responsible for lost or stolen items.

LOCKERS

Lockers and combination locks are issued to the student at the beginning of the year by homeroom teachers. Your locker is to be KEPT LOCKED AT ALL TIMES when not in use. Students are assigned specific lockers and must not change without the teacher's approval. STUDENTS ARE NOT TO SHARE LOCKERS.

Students are cautioned against telling their combinations to each other, if they expect their property to be kept safe. Each student is responsible for keeping his assigned locker clean both inside and outside. Damages caused by misuse of tape, etc., will be charged to the student responsible. Any locker malfunction should be reported to the homeroom teacher or the office. All students who lose their locks will be charged \$5.00 for each replacement.

WITHDRAWAL OF STUDENTS

The school should be notified at least two days in advance of a student's impending withdrawal. The student will receive a withdrawal form and instructions from the office. All textbooks, library books, money owed, and fines must be cleared before the student secures a transfer record to another school.

DISCIPLINE

The discipline ladder is a process in which the student controls his or her own fate. Teachers and administrators have the right to change the steps and discipline stated in the following list.

- STEP 1. **Verbal Warning**: Identify the problem; the teacher lets the student know that he/she means what he/she says and says what he/she means!
- STEP 2. **Student/Teacher Conference**: Teacher and student discuss facts that contributed to the misbehavior, the behavior itself, good alternative behavior, and the consequences that will result if disruptions continue. Student signs written warning form.
- STEP 3. **Parent-Teacher Communications**: Teacher contacts parent/guardian to discuss the behavior and request assistance from them in dealing with the behavior. Punishment work to be assigned by teacher (if or as indicated and at teacher discretion). Minor infraction forms may be issued.
- STEP 4. **Disciplinary Report**: Teacher fills out and sends Disciplinary Report and student to the office. Details of the report are discussed with the student. Appropriate disciplinary action will occur from the following list, but not

limited to and not necessarily in this order: **Lunch Detention, Early Morning Detention, Cafeteria Clean-Up or Litter Pick-Up (KP), Saturday Seminar, Suspension from school, Expulsion.**

Parent/guardian will be notified by phone if possible, and a copy of the discipline report will be sent home with student, given to parent or mailed to parent.

STEP 4 WILL BE ADMINISTERED AT DISCRETION OF ADMINISTRATORS

***Note: Administrators have the right to change discipline in the previous list at any time.**

Other behavior determined to be inappropriate by an administrator will result in punishment determined by that administrator.

Louisiana Law provides that a student may be suspended or expelled at any time for any serious violation of school policy.

- A. On the third (or earlier if the principal feels it is necessary) suspension from school for any reason, the student and his parents must go to the school board office for a conference with the supervisor of Child Welfare and Attendance before the student will be readmitted to school.
- B. After a student has had a conference with the Child Welfare and Attendance Supervisor and suspensions have not proved successful in changing the student's behavior, the student will be recommended for expulsion.

Failure to take advantage of this opportunity will result in additional days of detention and/or a more severe punishment deemed necessary by the school's administration.

2. All students participating in gang-related fights, planned fights, or extremely violent fights will be recommended for expulsion for the current semester or the entire school year.

CHEATING

Whenever a student is guilty of cheating, the teacher shall collect the student's paper, mark a zero for the work, and notify the parent and office immediately as to the action taken. If the cheating occurs on a major exam, essay, or project, a discipline referral for academic dishonesty may be issued for academic dishonesty.

Sterlington Middle School calls for all members of the school community to act with integrity. The act of plagiarism violates our expectation that students exhibit ethical behavior as expressed in their academic work.

Plagiarism is a form of dishonesty that occurs when a person passes off someone else's work as his or her own. This can range from failing to cite an author for ideas incorporated into a student's paper, to cutting and pasting paragraphs from different websites, to handing in a paper downloaded from the internet. All are considered plagiarism.

The consequences for this offense will be the same as cheating.

STUDENT CELL PHONE POLICY

Students will be allowed use of cell phones:

- Prior to school (in the gym or auditorium only).
- At the end of the school day (AFTER the bell only)
- During class time, for instructional purposes or with teacher authorization ONLY.

Students will NOT be allowed the use of cell phones:

- **Outside of the teacher’s classroom unless it pertains DIRECTLY to the instructional purpose.**
- **In the hallways.**
- **During lunch time – INSIDE OR OUTSIDE.**
- **In between classes.**

USE OF CELLPHONES DEFINED: Use of cellphone can be defined as a student **“actively”** utilizing the device for the purpose of **sending or responding** to a text, **making or responding** to a call, being active on social media in the form of **responding to or sending** SnapChat, Facebook, Instagram, Vine or other social media applications.

Receiving social media notifications does not make the student **“active”** on social media if he does not respond. If this should occur, warn the student and ask them to turn off the device. Should it occur again, disciplinary action may be taken at your discretion.

School administrators will use the following procedure as corrective action for any student who violates this policy:

First offense – The teacher may use their discretion on first offense if the student is not “actively” using the phone. If the student is **“actively”** using the phone or device, it may be taken from the student and held until the end of the day or turned over to a school administrator at the discretion of the teacher. If turned over to an administrator, the administrator has the discretion to contact the parent and hold the device to be returned to the student @ 3 p.m. on the following Friday of the week the offense occurred.

Note: if in the opinion of the administrator, the student becomes too disrespectful due to the item being confiscated, the student can be assigned more serious corrective action, rather than being assigned detention.

Second offense - The confiscated item will be held at school for (10) calendar days and returned to the parent as stated above.

Third offense - The student will be unable to have a device on campus for the remainder of the school year.

Fourth offense – The student will be suspended from school for one day and the confiscated item will not be returned until the end of the school year. Both the student and a parent will be required to meet with a Child Welfare and Attendance Officer before the student can return to school.

EXCEPTION: In the event of an emergency, any person may use any electronic device available. Emergency is defined as actual or imminent threat to public health or safety which may result in loss of life, injury, or property damage.

CYBERSTALKING

HARASSMENT, INTIMIDATION AND BULLYING POLICY

The Ouachita Parish School Board directs students, school board employees and school volunteers to report any incidents of harassment, intimidating, or bullying of a student by another student. For purposes of this policy, the terms "harassment," "intimidation," or "bullying" shall mean any intentional gesture or written, verbal or physical act that:

1. Under these circumstances, a reasonable person should know the effects of harming a student, threatening his/her life, placing a student in reasonable fear of harm to his/her person or damaging his/her property; and
2. Is so severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment of a student.

The Ouachita Parish School System will not tolerate any harassment, intimidation or bullying of students on school property, while riding on a school bus, or while going to or returning from school. The school administrator shall investigate any reported incident of harassment, intimidation or bullying. Should the investigation determine that an incident has occurred, the students involved shall be disciplined in accordance with this policy.

CHILD NUTRITION PROGRAM PAYMENT POLICY

Computers in each cafeteria allow the Child Nutrition Program to keep up with payments and meals eaten for the entire school year. Because of this, we encourage students **to pay in advance** for breakfast and lunch meals.

PAYMENTS:

Payments for meals may be made in cash, by money order, or by personal check (if checks are accepted at your child's school). Checks and money orders should be made out to the school cafeteria where the child attends.

Parents are encouraged to send **cash payments** in envelopes with the child's name, cafeteria number, and the amount of money enclosed.

If **sending a check or money order**, parents should note the child's name on the check. If the check is for more than one child, each child's name and amount to be credited to each child's account should be noted.

NSF (Non-Sufficient Funds) CHECKS:

If a NSF check is received, the person writing the check will be contacted and asked to pay, in cash, the amount of the check plus \$3.00 for bank charges assessed by the Child Nutrition Program. No checks will be accepted for payment of meals until the outstanding check plus bank charges are paid in full.

A **second NSF check** by the same person/account will result in all meals being paid in cash or money order for the rest of the school year. No meals may be charged or purchased in the cafeteria until the outstanding check plus bank fee are paid in full.

CHARGING OF MEALS:

Secondary students (middle and high school) will not be allowed to charge any meals. Elementary students may only charge up to three (3) days of lunch meals at a time. No charging of breakfast or extras will be allowed.

END OF YEAR BALANCES:

Students will not be allowed to charge meals beginning May 1st of the school year. No checks will be accepted for payment of meals after May 1st. Students who owe balances May 1st must have balances cleared/ paid in full or they will not be allowed to purchase meals during the last two weeks of school until the bill is paid in full.

Money may be left in student accounts and carried over to the next school year. If a student transfers to another school within Ouachita parish, their money goes with them. A parent may request a refund of money in a student's account, if a request is placed in writing along with the designation of whom the money is to be given.

ILLNESS OR INJURY AT SCHOOL

If a student is injured or becomes ill at school, he/she is to report to his/her teacher and ask for a permit to go to the office. If necessary, his/her parent will be contacted. All students who are injured or become ill must check out through the office before leaving the school campus.

INSURANCE (STUDENT)

Parents have the opportunity to purchase school accident insurance for their children. School time and twenty-four hour coverage will be available. An information sheet explaining the program will be sent to each home. The School Board does not cover non-liability claims.

MEDICATION PROCEDURE

The Louisiana State Legislature has passed a new school medication law. The Ouachita Parish School Board has established new guidelines and procedures in order to be in compliance with this law.

If your child will be taking medication while at school, the appropriate forms must be completed and returned to the school office. These forms are available at the school.

Medication must be brought to the school by a parent or guardian in a pharmacy-labeled, childproof cap bottle with the correct dosage and dispensing directions as directed by the doctor. Medication can no longer be sent to school by a child. Parents must come by the office and sign a form stating that the school received the medication and how much was received. No more than 26 dosages in a tablet form can be kept at the school for each child. (NO PLASTIC BAGS)!!! The initial dose must be given at home 12 hours prior to the child's return to school. The school must be supplied a list of all medications the child is taking if not in violation of the Privacy Act.

Students are not allowed to have any medication in their possession with the exception of an inhaler and epi-pen. Additional paperwork would need to be completed with these exceptions.

If the dosage should change, the office must receive a written order from the doctor or dentist stating what changes have been made and a new pharmacy label issued, whereby a child-proof cap bottle must be given to the office with the correct dosage and dispensing information. If the medication and dosage should change and a written statement from the doctor is not received, then that child will not be given his/her medication.

A parent may administer any medication at any time to their child without meeting any requirements.

NO OVER-THE-COUNTER MEDICATION CAN BE GIVEN unless prescribed by a doctor or dentist. It also must be labeled by a pharmacist with the child's name and correct dosage and dispensing information. **(THIS MEANS ASPIRIN, TYLENOL, COUGH SYRUP, COUGH DROPS, ANTACIDS, ETC.)**

NO EYE OR EAR DROPS CAN BE GIVEN BY SMS EMPLOYEES

ANTIBIOTICS SHOULD BE GIVEN IN A TIME-SPAN SO THEY MAY RECEIVE IT AT HOME IF AT ALL POSSIBLE.

DISCIPLINE POLICY

SEARCHES: STUDENT AND SCHOOL PROPERTY

The Board is the exclusive owner of any public school building, any desk or locker in the building, or any other area that may be set aside for the personal use of students. Any administrator, school resource officer, or teacher may search any building, desk, locker, area, or grounds for weapons, illegal drugs, alcohol, stolen goods, or other materials or objects for which possession is a violation of Board policy. This includes a random search with a metal detector or a search conducted when there is a reasonable belief that the items sought will be found. Any administrator, school resource officer, or teacher may search a student or the student's personal effects when, based on the attendant circumstances at the time of the search, there are reasonable grounds to suspect that the search will reveal evidence that the student has violated the law, Board policy, or a school rule.

Searches and Seizures

- a) School Property - School buildings, desks, lockers, and school grounds set aside for the personal use of the students are exclusively owned by the parish and city school systems. Any teacher, principal, school security guard, or administrator may search any of these areas for evidence that any law, school rule, or school board policy has been violated.
- b) Student's person and belongings - A teacher, principal, school security guard, or administrator may search the person of a student, or his personal belongings when there are reasonable grounds to suspect that the search will reveal evidence that the student has violated law, a school rule, or a school board policy. Any such search must be conducted in a manner reasonably related to its purpose and not excessively intrusive in light of the age or sex of the student, and the nature of the suspected offense.
- c) Metal detector - Random searches with a metal detector of students or their personal belongings may be conducted at any time. However, they are to be conducted without deliberate touching of the student. There is no requirement of suspicion of violation of any law, rule or policy.
- d) Policies - The parish and city school boards should adopt policies to provide for reasonable searches and seizures.
- e) Liability - No teacher, principal, school security guard, or administrator shall be held personally liable for any action authorized as above and performed in accordance with the school board policies.
- f) Evidence - If any items which can be used as a weapon or any drugs are found as a result of the search, they should be given to the principal or his designated

administrator who should report the same to the law enforcement officials. The evidence should be secured by the school principal in such a manner as to prevent the destruction, alteration, or disappearance of the evidence.

- g) Search of visitors - Any school principal, administrator, or school security guard may search the person, handbag, briefcase, purse, or other object in possession of a visitor while in the building or on school grounds. This search can be conducted through the use of random search methods with a metal detector. Additionally, when there is reasonable suspicion that the visitor has any weapons, illegal drugs, alcohol, stolen goods, or other objects which violate school board's policy, then the search can be performed. Note that unlike search of students, teachers are not authorized to search visitors.

SEXUAL HARASSMENT

It is the policy of the Ouachita Parish School Board to maintain a working and learning environment for all its employees and students which provides for fair and equitable treatment, including freedom from sexual harassment. It is prohibited for any employee or student, male or female, to harass another employee or student by making unwelcome sexual advances or requests for sexual favors, or engaging in other verbal or physical conduct of a sexual nature where (1) submission to or rejection of such conduct is used as a basis for employment or academic decisions affecting the employee or student; (2) such conduct creates an intimidating, hostile or offensive working or learning environment; or (3) submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or participation in school programs.

Any employee or student who believes that he or she has been subjected to sexual harassment should file a written complaint of the alleged act immediately to the Principal or Immediate Supervisor. The Principal or Immediate Supervisor will then contact the Personnel Director if the complaint is against an employee or the Director of Child Welfare if the complaint is against a student. The written complaint should state in detail the basis for the complaint, the names of the persons involved, and the dates of any specific incidents. The Principal/Immediate Supervisor along with the Personnel Director or Child Welfare will then conduct a thorough confidential investigation of all reported incidents to determine the nature and extent of any alleged sexual harassment. If the complaint is against the Principal/Immediate Supervisor, the complaint will be filed directly with the Personnel Director in the case of employees or Director of Child Welfare in the case of students. If the complaint is against the Personnel Director or Director of Child Welfare it shall be filed with the Superintendent. If the Complaint is against the Superintendent, it shall be filed with the School Board President.

The question of whether a particular action or incident is prohibited behavior requires a determination based on all the available facts in the matter. A written report shall be filed at the conclusion of any investigation of sexual harassment regardless of the outcome of the investigation.

Any administrator, teacher or other employee or student who is found after appropriate investigation to have engaged in sexual harassment of another employee or student will be subject to disciplinary action appropriate to the offense from a warning up to expulsion or discharge.

Any individual filing a sexual harassment complaint is assured that he/she will be free from any retaliation from filing such a complaint. Retaliators will be subject to discipline up to and including expulsion or discharge.
